SADD - The great cardboard car race!	<p>Let's see the term out in car-racing, mud-mucking style. Get into Waka groups, team up with some older and younger Waka students and start preparing your cardboard cars for the almighty race in Week 10. Whanau points are up for grabs. It's all about being aware of how to be safe on the roads (but getting grubby on the school field!). Cardboard cars need to be made in Waka time/play-based learning time. Plenty of cardboard boxes in the recycling bin. Rustle up some other materials to make a solid car that will last the distance. Teams will 'tow' the driver in the car around the field, avoiding obstacles. Last car to fall apart wins! Points for team spirit too. Watch this space (and posters coming too) for more details.</p>
