Guidance Counselling Booking	To make it easier for you to see a guidance counsellor we have introduced a new online booking form. It can be found here <a href="http://goo.gl/MVvyF7">goo.gl/MVvyF7</a> This can be accessed from home but you will need to log into google chrome with your school details to access the form. The existing booking system of paper and pen or just 'dropping in' still exists so please feel free to reach out in which ever way is best for you. Mrs Pascoe and Mr Kelly
SADD Activities - Remember September!	Two things: 1) In waka teachers' cubby holes from Thursday 20th will be a <b>SADD cluedo game</b> to get you thinking about some of the dangerous decisions people make when they get behind the wheel. Get your completed (and correct) cluedo forms back in before Wednesday 26th to go in the draw for some chocolate goodness (drawn at final term assembly) 2) The <b>SADD fun run</b> will take place on the last day of term at lunchtime. Each year level will run around the whole field once, with a bonus lap at the end for keen beans (bonus waka points allocated randomly in this bonus lap). Waka points for participation are up for grabs - each participant gets one point for their waka. We will stagger the start, beginning with year 1 students up first, followed by year 2's, 3's etc - up to year 13's. <b>Every metre run represents one person injured in car accidents in NZ each year!</b> Get as many waka members to run as possible. The more who run, the more points are awarded! Two points for staff!
Tuck Shops	We do not have any fundraising tuckshops scheduled for the remainder of Term 3.  Nothing Naughty snacks are available from the office during interval & lunchtime at \$2 per item  We will advise via the daily notices if this changes.  Please ensure you pack enough food to last the school day
